Tyrol Junior Cup 2011

International Junior-Tournament from 6th till 13th of August 2011
(age group 1996 and younger)

The sport agency AE sports (Tyrol/Austria) in cooperation with the club SC Schwaz (Tyrol/Austria) invites youth-teams (age group 1996 and younger) to Schwaz (Tyrol/Austria) to take part in that international junior tournament. In this tournament there will play eight teams from Saturday, 6th till Saturday, 13th of August 2011. Participating teams will come from whole Europe and other continents.

The tournament will be played in two groups with four teams. In each group every team will play against every team (points, goal difference, striked goals). In cross-matches (quarter-final) the teams will qualify for, either the upper or the lower, half-finals. The winners of the upper half finals will play in the great final. The losers of the upper half finals will play in the small final (third place playoff). The winners of the lower half finals will play for the 5th position and the losers will play for the 7th position. Therefore every team will have six matches in one week and every team will also have the chance to be the winner of this tournament after the preliminary rounds.

Furthermore the odds will be, that all teams can make training-sessions between the matches (in the surrounding communities on natural grass fields).

Playing-venue

Regional Sport-Center Schwaz / Tirol

Playing surface

Stadium with natural grass
Out of town points with natural grass
Artificial grass field (latest generation)

Playing time

2 x 35 minutes
group matches – quarter final – half-final – final
